GREAT KITCHEN WORK SAVERS

These kitchen helpers save time and money while assuring freshness and great nutritional value.

500

Grain / Corn / Nut Mill

Ideal for grinding grains, corn nuts and cereals.

Adjustment on the mill allows you to mill from coarse to fine for a variety of recipes.

Durable cast iron construction with rust resistant finish is easy to clean.

Sturdy clamp base securely attaches the mill to a table or counter. A rubber counter protector is also included.

Long armed hardwood handle allows for easy continuous operation.

800

Tomato Sauce Maker/ Food Strainer

This work saver cuts canning time in half and eliminates having to core or remove seeds.

Ideal for making tomato sauce and pastes, apple sauce, jams, and pie fillings, also use to process pumpkin, squash or potatoes.

Included is a general purpose seed and skin screen. Available separately is a grape spiral along with specialty screens for processing berries, pumpkin and salsa.

Sturdy clamp base securely attaches the strainer to a table or counter. A rubber counter protector is also included.

327

Wheat/Health Juicer

Ideal for making fresh wheat grass, fruit or vegetable juices.

Durable cast iron construction with rust resistant finish is easy to clean.

Sturdy clamp base securely attaches the juicer to a table or counter. A rubber counter protector is also included.

Long armed hardwood handle allows for easy continuous operation.
